

PALMIYE
CATERING

BRIDGE

Bridging the gap between
the heavens and the earth.

An architectural beauty, this free-standing product sets you apart from other establishments, attracting attention and enabling your customers to get the most from their outdoor experience.

A flowing, draped piece of orange fabric is the central focus, set against a dark background with subtle light rays emanating from the top right. The fabric has a smooth, slightly shiny texture and is captured in a dynamic, mid-air pose.

FS Flexy

FS Flexy fabric, which is used in all Four Seasons products, is a light weight PVC-based material. Consisting of 3 layers, it is highly resistant in many ways including being fully flame retardant and water resistant as well as filtering UV light. Exclusively produced for Palmiye, it is easy to clean and is available in white, ivory and grey.

TECHNICAL DETAILS

Each of our products is hand crafted and in itself unique. From the canvas to the construction material, you can completely customize your product. Distinguished by their design, durability and state-of-the-art detailing, all of our products are certified by TUV and ISO.

The innovation spirit of Palmiye spurs us on to constantly reach new horizons.

WOOD / ALUMINIUM RAIL

01 DOUBLE ANTI-AIR SYSTEM

This system prevents the wind entering between the ceiling cover, rails and gutter, and creates an airtight space into which the wind cannot enter.

02 WATERBLOCK

This prevents rainwater entering the enclosed area, and leads it directly to the front gutter for perfect water drainage.

HORIZONTAL BEAMS

The front and side beam are on the same horizontal level, giving a continuous line throughout the product, ensuring a smooth relaxing overall look, which is a delight to the eye.

SPOT LIGHTS

Depending on whether you want strong practical lighting, or an atmospheric dimmed ambience, choose from 1 or 3 Watt LED lighting options. Investing in LED technologies is part of Palmiye's contribution to a green environment.

10-WHEEL CAR

Our specially designed 10 wheel car drive, with its one-part stainless steel body, ensures silent, fast and balanced operation of your product.

WALL JOINER FINISH

Typical of Palmiye, every last detail is of utmost importance. With these attractive caps, the joint between the wall and the product is covered to ensure the perfect fit and brings together the final look.

IDS

Specifically designed to add a nice aesthetic touch as well as being highly functional, this Integrated Drainage System (IDS) ensures that all water is smoothly drained.

PROFILE ENDING CAPS

Give a personal touch to your product by choosing from a rounded or straight ended cap.

VERTICAL BLIND

Horizontal sun rays can be reduced with a vertical blind. It is a full cassette awning and the Ferrari Soltis fabric, provides shade without interrupting the view.

Palmiye with an international network and organizational structure, is represented in many countries worldwide.

The values of each different culture and their unique architectural concepts, inspire and are reflected in Palmiye's products.
